

The Silly Treasures!

Hello, Adventurers! You finally reached the maze of Dice-elon! The goal is to get to the Finish (F) collecting the Gold Coins ●. Beware of the traps! ▲ You start at S.

Two players take turns throwing a dice and moving. The one who collects more coins and reaches the Finish wins. But also you can die and lose!

Also there is a secret Merchant (M) in the maze. He will give the first player who reaches him special boots so that he can step on traps!

The way You move: Throw a single dice, and then choose the direction: up, down, left or right. Then move according amount of tiles. When You bump into a wall, you stop moving doesn't matter how many steps are left.
